MASSA₆₀

Surface spot light of compact size die-cast aluminium body. Different reflectors. Long lumen maintenance 50.000 hours (L80 B10). Up to SDCM: 2 allowing a consistent white light colour between modules and over their lifetime. Driver not included.

Deckenanbaustrahler im kompakten Design. Gehäuse Aluminium, verschiedene Reflektoren möglich. Lebensdauer 50.000 Stunden (L80 B10). SDCM: 2. LED-Chips für eine konstante Farbtemperatur über die Lebensdauer. Treiber (EVG) nicht enthalten.
